

10

WAYS TO GIVE NOW

- ✓ **Donate cash, cheque, credit card**
Enjoy immediate tax savings. Give one time or pre-authorized regular contributions.
- ✓ **Include the Foundation in your will**
Your gift will be used to create a Fund at the Foundation that will contribute to your favorite local charities.
- ✓ **Give stock or securities**
When investments (not already sold) are given to the Foundation, the capital gain is not taxed.
- ✓ **Designate your tax refund annually**
Donating your tax refund could create a tax refund for the following taxation year. Direct your gift to an existing fund or create your own.
- ✓ **Update your life insurance policy**
While you are living, the insurance premiums are tax deductible. Convert an end-of-life tax liability into a meaningful gift.
- ✓ **Assign your residual RRSP or RRIF**
Use these tax-deferred assets accumulated for retirement to provide a gift to the Dufferin Community Foundation.
- ✓ **Open a Named Family Fund**
There are significant tax savings when you open a fund in your family or loved one's name.
- ✓ **Join our Founders Circle**
Donations to the Founders Circle will off-set initial start-up costs. Gifts \$2500 or more may be split over two tax years and completed by December 31, 2022.
- ✓ **Contribute to our Corporate Circle**
Doing good is good for business. Directly contribute cash, sponsorship or gifts-in-kind.
- ✓ **Volunteer your time and talent**
The Foundation welcomes your managerial perspective as a member of its Finance or Outreach committees.
